### CROFT LILY

A lily of recent introduction with very large pure waxy white, long, trumpet-shaped flowers of such wonderful texture as to be extremely long lasting. If cut when partially open, blooms can be kept for two weeks. Plants are strong growing and prolific bloomers, the flowers having a most pleasing fragrance. A most beautiful Easter lily.

Foliage is dark green, clean and healthy. Stem is short, making it an ideal pot plant. While it is grown in large quantities by the trade, it is also most valuable for home planting. Bulbs are usually ready for shipment from August until December.

50c each; 3 for \$1.35; 12 for \$5.00
